Sunday: 8:30am - 2:00pm
Monday: Closed

Real Skier Loop is closed
2024-25 for bridge repairs

- Competition Trails:** These are the core loops of intermediate rolling terrain. Blue trails are always the first to be groomed and open on storm days.
- Crater Lake trails:** This advanced trail (with side loops) climbs up to the top of Boreal Ridge to a small volcanic pond. The views of Castle Peak are fantastic.
- Black hole trails:** These trails drop down and cross Castle Creek. Terrain is rolling with a challenging climb back to the blue trails.

Pisten Bully powers our grooming to the highest standards. Grooming machines may be on the trail at any time
